

APPLICATION for SCHOLARSHIPS

Open to students studying at third cycle

Linnéakademien för Vetenskap och Näringsliv announces scholarships on two occasions each year. The aim is to promote scientific research and education conducted at Linnaeus University and to implement the results in practice. The scholarships can be applied for by students at second cycle and third cycle at Linnaeus University.

Students studying at third cycle can apply for means up to a maximum of 10 000 SEK for a research visit to a university abroad or for participation and presentation at a research conference. The application has to be approved by the Head of Department and the supervisor. A written report has to be sent in and approved within two months after finalizing the travel. The aim and goal with the travel, and how it contributes to the doctoral studies shall be clearly stated in the application. Only students employed and active as doctoral students at Linnaeus University are eligible to apply. The scholarship can only be awarded once.
